

Helpful Information

Transparent Language Online provides an effective and engaging experience for language learners looking to build their vocabulary, practice their listening, speaking, reading, and writing skills, and maintain what they learn. With courses and supplemental resources in 110+ languages, Transparent Language Online can be accessed anytime, anywhere, on almost any device.

- **110+ languages (and growing!):** Whether it's Spanish, French, Chinese, Arabic, Ojibwe, or English, if you want it, we've (probably) got it.
- **Customized learning path:** Placements tests let learners see recommended courses and lessons for their level, or they choose their own content.
- **Focus on a specific skill:** Listening, speaking, reading, and writing are all part of the language puzzle. Learners can pick any skills-based learning activity, select their desired vocabulary, and instantly launch a custom lesson.
- **Learn on the go:** At the library, at home, and everywhere in between, access to lessons is possible on almost any device, including full-feature mobile apps for iOS and Android™ tablets and phones.

KidSpeak™ is a fun, age-appropriate online language course designed for children ages 6 and up! Accessible through Transparent Language Online, KidSpeak introduces your children to English, Spanish, French, Italian, and Mandarin Chinese. Teaches words and phrases suitable for learners' age, needs, and interests. More than 40 activities, puzzles, and songs guide young learners through the basics, along with a cartoon "friend" who speaks the language. KidSpeak™ works on computers, tablets, and phones - so your little ones can learn on the go, at home, or in the library.
